

LUTHERAN HOUR MINISTRIES

People Of Christ With The Message Of Hope

Take Advantage of Matching Grant Opportunity: Here's How!

**In these troubled times,
Lutheran Hour Ministries believes
that it's more important than ever to
take a stand for Christ.**

We encourage you to stand with us in renewed commitment to four vital goals as we stand by our churches to support our Lord's work.

1. We are committed to expand our flagship program, **The Lutheran Hour**, to new audiences through technology such as the Internet and podcasting.
2. Increase the reach of **Woman to Woman** to 70,000 listeners. The **Woman to Woman** radio program offers practical application of God's Word to everyday challenges facing women today.
3. Firmly establish our **Men's NetWork**, which features an interactive Internet-based approach to help men build faith and engage in service to their church and community. The goal is to re-engage a generation of young men who are absent from the pews.
4. Expand our vital **international ministry work**. Lutheran Hour Ministries operates more than 40 international ministry centers that minister to hurting people around them based on specific cultural needs.

But we can't meet these goals without your support! By God's grace we have already received a generous \$500,000 Matching Grant to help encourage donor commitment and fund these initiatives. The terms of this Grant are clear: Every \$1 you give to Lutheran Hour Ministries in response to this special opportunity will be matched with \$1 from the Grant, effectively doubling your gift and its outreach.
