LUTHERAN HOUR MINISTRIES
People Of Christ With A Message Of Hope

The Lutheran Hour Ministry to the Armed Forces

The Lutheran Hour® is reaching out to the troops around the globe via the American Forces Network (AFN). The radio program is titled **Bringing Christ to the Nations: The Lutheran Hour** and airs to a potential audience of 800,000 service personnel and their family members. If you or someone you know is in the armed forces and not getting the program on the local military radio station, please ask for it!

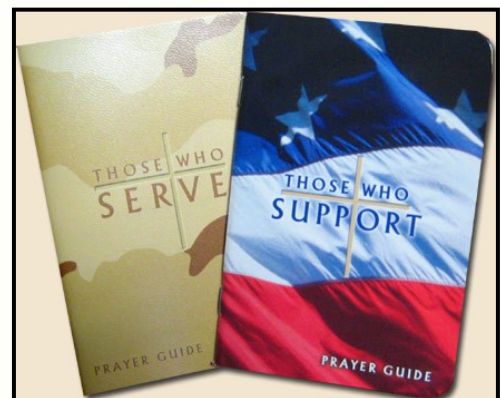

Designed to accompany the broadcast, the Web site, found at www.lutheranhour.org/afn, offers the visitor a way to listen online, submit prayer requests, and download topical booklets that address important issues faced by many families. Also included on the Web site are promotional tools for congregations to use within their communities to help spread the word about **The Lutheran Hour** on AFN. As part of that effort, the Rev. Dr. Ken Klaus, Speaker of **The Lutheran Hour**, has written a special send-off service for military personnel which can also be found on the Web site.

Two prayer guides written by Pastor Klaus are also available from Lutheran Hour Ministries. *Those Who Serve* is designed for active military personnel who are serving overseas or away from loved ones. *Those Who Support* is for military families who find themselves back home while their loved ones serve their country.
