LUTHERAN HOUR MINISTRIES
People Of Christ With The Message Of Hope

Playtime With A Purpose!

JCPlayZone has all of the ingredients of a typical children's Web site — games, crafts, coloring pages, and much more —but with a Christian perspective. This perspective is integrated throughout the site, making it a truly interactive Web site designed to engage children in a safe online environment.

Created for children of all ages, the site is updated regularly to keep them coming back. Most recent additions include music - children can listen or sing along to Christian songs sung by other children! Another exciting new feature is the Daily Devotion. Written just for young children, a new devotion is available online each day.

JCParentZone contains:

- **Articles** – Read more about current issues and parenting tips from professionals
- **Blog Zone** – Follow along with a parent who's trying to make a difference in their child's life
- **Spiritual Q&A** – Read answers to questions you've always wondered about but may have never asked

Parenting Web sites number in the thousands...everyone wanting to give advice on how to raise great kids. Designed by Lutheran Hour Ministries, **JCParentZone** is a site designed for parents! It differs from the other sites out there because it tackles today's parenting issues from a Christian perspective. It features relevant information that is updated weekly on parenting, along with links to daily devotions and other helpful resources.
