LUTHERAN HOUR MINISTRIES
People Of Christ With The Message Of Hope

Bringing Christ to the Nations

The Lutheran Hour® radio program shares the Savior's story of salvation. Sponsored completely by individuals who wish to share the joy of Jesus, the broadcast has, for over 75 years, brought Christ to the nations and the hearts of hurting humanity. Today's traditional radio transmission, large print, and Braille editions are now being complemented by offerings available through the web and via Podcast downloads.

The Lutheran Hour can be downloaded as an MP3 format or heard anytime at www.lutheranhour.org. Sunday's XM satellite broadcast, channel 170 (1:00 PM EST) assures that no person or place in North America is beyond the reach of the Gospel message of Jesus Christ,

The Lutheran Hour: Bringing Christ to the Nations presents the weekly message accompanied by contemporary Christian music. Originally developed for use on the American Forces Network, the program can be heard worldwide at www.lutheranhour.org/afn.
